

ODG on GSA Schedule - October 2018

Olson Design Group (ODG) is pleased to announce that its services are now available on the GSA Schedule and available to federal, state, and local government organizations. Looking for innovative, interactive, and highly-engaging interactive multimedia instruction (IMI) solutions for your organization? ODG has experienced custom eLearning design and development professionals ready to help you!

ODG, with over 10 years of experience delivering high-quality IMI for the federal government, is now on GSA Schedule IT-70, #47QTCA18DOOL9. This provides federal (DoD, VA, etc.), state, and local government organizations with the ability to access ODG's custom asynchronous eLearning design and development services quickly and at a discounted rate.
